

PANDORA AMP TOOLS

p.s. they're all FREE!

AUDIO MESSAGES

Artists can record personalized audio messages that can be targeted to specific listeners.

INSIGHTS

AMP provides detailed analytics about who is listening to an artist's music, including demographic information and listening habits.

PROMOTE SHOWS

Integration with Ticketmaster and Songkick allows artists to notify fans about upcoming concerts and events directly through the Pandora app.

FEATURED TRACKS

Artists can choose songs to be highlighted in Pandora's algorithm. This feature helps boost the visibility of key tracks and ensures they reach a broader audience.

CURATE STORIES

Curated Stories allow fans to engage with their favorite artists via playlists and audio messages.
